KINDERGARTEN KIDS

The Musconetcong Valley Community Association is pleased to offer our Kindergarten Kids Program for the 2009-2010 school year. This program is designed for the child who needs extended childcare; and for any child who may benefit from social and educational enrichment. These students enrolled in morning or afternoon Kindergarten enjoy a half day of play, learning, story and circle time, games, music, arts and crafts, physical activity, science, cooking, guest speakers and a variety of field trips. Children in both programs will need to bring a snack and lunch with them.

The morning program starts at 9:00am. Drop off with free play begins as early as 7:00am. At the end of the morning program, children are transported to afternoon Kindergarten.

Transportation from school will be provided for the afternoon Kindergarten children. The afternoon program starts with free play followed by lunch. Parents may pick up their children at either the MVCA facility at 2:15pm or they will be transported to OFRS for our aftercare program, which runs until 6:00pm.

The program is held at the MVCA building in the Long Valley Professional Center. Class size is restricted to 15 children per session.
