NATURE CAMP

The **Musconetcong Valley Community Association** is pleased to offer an outdoor nature summer camp program for children 4-6 years old. Our program is located near the tennis courts at Rock Spring Park in Long Valley. The program offers our youngest campers the opportunity to enjoy nature based activities, arts and crafts, story time, cooking, music, and exercise. Our one week session will examine animals, their habitats and means of survival. In addition, we will also explore wildlife native to New Jersey. Local field trips are planned for each session.

Our groups are limited to twelve children and you may sign up for as many weeks as you wish.

- Session 1:** July 11 - July 15
- Session 2:** July 18 - July 22
- Session 3:** July 25 - July 29
